EP-ST900	9.5" Clear Jumbo Corn Straw (wrapped)	\$110.99 (5000)	\$2.50 (50)

Our line of cold drink cups, lids and straws are made from PLA plastic derived from corn. PLA plastic is a compostable material that when placed in a commercial environment will naturally decompose back to organic elements. Unlike regular cold cups that are made using petroleum, PLA plastic products are made using US grown corn! PLA made products have are heat resistant up to 110 degrees.

Eco-Friendly Hot Cups, Lids & Stir Sticks

Item #	Description	Case Price	Sleeve Price
BHC4-WA	4oz Eco Hot Cup	\$63.14 (1000)	\$6.50 (50)

Cleaners & Detergents

[Natural Dishwashing Liquid \(Orange & Apple\)](#)

Just as powerful as our Apple dish liquid, our orange dish liquid will clean your dishes with ease. With a nice pleasant orange scent, our orange dish liquid is soft and gentle on the hands.

\$3.25 24oz.

\$34.00 case/12 units

[Crystal Glass Cleaner](#)

Eco-Products glass cleaner effectively cleans windows, mirrors and plastic surfaces, without harmful or toxic ingredients. Even removes smoke film, leaving a crystal clear shine, and streak-free finish. Our full line of natural cleaning products are non-toxic cleaners at their best.

\$3.25 24oz.

\$34.00 case/12 units

[Enhance Surface Cleaner](#)

Our new Multi-Surface Cleaner cleans and enhances many surfaces including granite, stainless steel, finished wood, and smooth leathers. Enhance effectively cleans and leaves a beautiful shine behind. Great for the car too! Another great product that contains no harmful ingredients.

\$3.75 24oz.

\$38.00 case/12 units

[Superior Bathroom Cleaner](#)

Superior Multi-Purpose Bathroom Cleaner powerfully removes dirt, soap scum, hard water buildup, and mineral stains from most bathroom surfaces. Excellent for cleaning tile, bathtubs, shower stalls, water fixtures, grout, sinks, and countertops. You'll breathe easy knowing Superior is a natural cleaning product containing no harmful ingredients.

\$3.75 24oz.

\$38.00 case/12 units

[Ultra Liquid Laundry Detergent](#)

Eco-Products Ultra liquid laundry detergent is formulated to effectively clean stubborn dirt from all fabrics at all temperatures. Leaves your clothes smelling clean and fresh, without harmful ingredients. Highly concentrated to save on both money and packaging, you'll be impressed with the cleaning power of this biodegradable detergent.

\$16.00 200 oz.

\$30.00 case/2 units

[Powdered Laundry Detergent](#)

Eco-Products powdered laundry detergent is suited for all fabrics and temperatures. Specifically formulated to tackle stubborn stains and dirt. Highly concentrated, a little bit of this biodegradable detergent goes a long way.

\$18.00 10 lbs.

\$60.00 case/4 units

[Powdered Auto Dish detergent](#)

Eco-Products automatic dishwasher detergent is suitable for all dishwashers. Specifically formulated to tackle stubborn baked-on foods. Compatible with injection-system dishwashers. Highly concentrated for an excellent value.

\$18.00 10 lbs.

\$60.00 case/4 units
